

**Columboola Environmental Education Centre**

Inspiring students to LEAD

# Year 3/4 Carnarvon Camp 2019

**Camp ACARA Links:** Personal and Social Capability Level 3, Science Year 3/4

Students will learn about

- Become confident resilient and adaptable and persist with tasks when faced with challenges and adapt their approach where first attempts are not successful.
- Recognise personal qualities and achievements and describe personal strengths and challenges and identify skills they wish to develop
- Communicate effectively through identifying communication skills that enhance relationships for particular groups and purposes
- Work collaboratively to describe characteristics of cooperative behaviour and identify evidence of these in group activities

**Identified camp outcomes/goals:** I am hoping to work on building and developing team working skills / resilience for the 3/4 students at my school

Contact Teacher:

Number of Students: approx. 20

Number of Teachers/Adults: 3

Information regarding camp can be found by accessing the [following link](#). We ask that the student list, including any curriculum adjustments/management plans are provide to COEEC at least 2 weeks prior to camp.
